

WEEFORD CHURCH RECYCLING EVENT ON 17TH MARCH

A thank you from Trevor James of Lichfield Rotary Club....

The response of the parishioners and friends of St Mary's Church at Weeford to their 'Recycling' event on Saturday 17th March was truly remarkable. In the two hour session what they donated will make a measurable difference, especially to what Tools-for-Self-Reliance will be able to achieve in Africa in the near future, but other charities, such as an Afghan women's project, a Rotary spectacles initiative and the locally-supported Next Stop Symi refugee support group, will also benefit significantly.

Although the donated materials are still being processed ready for onward distribution, it is clear that in excess of 100 garden tools, about 150 hand tools, a boxed electric drilling kit and three sewing machines will shortly be on their way to Tools-for-Self-Reliance. Alongside this about thirty mobile phones will be on their way to the Afghan women's project and over 100 pairs of redundant spectacles will pass to the relevant Rotary charity; a considerable volume of teaching and learning materials, together with sixteen walking sticks and a quantity of unopened bandages will be given to the Next Stop Symi refugee charity, the latter being strongly supported in various ways by local churches. All quite amazing!

This has been a considerable achievement, a tribute to the type of partnership which can be when various groups, such as churches and Rotary, work together to good effect.

THANK YOU

Weeford News

April 2018

ALL Sunday Services at St Mary's Church,
WEEFORD are at 11.30am
(Except the very occasional special events,
just to keep you on your toes!)
